<sup>1</sup> A “Vested Member” is landowner in the District who has paid a one-time “Capitalization Fee.” The sewer system now has sufficient capacity to connect all Vested Members.

<sup>2</sup> A non-Vested Member has the right to connect to the sewer system provided there is sufficient capacity.

<sup>3</sup> A non-Vested Member is required to pay a one-time “Capitalization Fee” to connect to the sewer system. The Capitalization Fee is the current depreciated value of the sewer system adjusted from time-to-time.

<sup>4</sup> The inspection deposit must be posted at time of permit application.
